

Next General Meeting

The next monthly meeting is on Friday the 2nd of October.

Yes it is a public holiday on this day but in light of it only recently being gazetted a holiday it will still go ahead.

No activity or guest speaker has been organised. Come down and have a chat with a coffee/tea and biscuits.

Doors Open 7.30pm

Ern Rose Memorial Pavilion, Seaver Grove, Reservoir

Hi all club members. Hope all are well and enjoying Spring.

1) CHRISTMAS DINNER – DEC 10.

The Christmas Dinner is going ahead with 9 attendees at this stage. A deposit will be paid soon to secure the booking in the partitioned part of the restaurant, as in the past. So those that have not responded and intend to go please do as soon as possible. Further notices will be sent regarding payment from members/guests to the Treasurer and menu. Stay tuned.

2) MAGAZINE EDITOR.

There is still a requirement for the club to fill the position of Magazine Editor. The club could welcome greatly if one was to take up this role on a permanent basis. There are Editable Word/PDF WANSARC Club Templates available with both the Club Header and Footer already present. The editor requires to fill in with appropriate, but not necessarily, Amateur radio related material or technical. Content can include, Calendar of Upcoming Events, Contests, and Field Days? As discussed even your local holiday to the beach and what radio related activity you did is welcomed? Any projects members have been working on? The editor could co-operate with a fellow member for assistance. News to the club membership will only continue on a notice to notice basis unless a permanent position is found.

3) NATIONAL PARK ACTIVATION WEEKEND 13-16 NOV 2015

Johnno, VK3FMPB, discussed the participation of club members and club call sign in the Keith Roget Activation weekend November 13 – 16 2015. The exact date is waiting on Johnno to confirm and where he will be active from. This will assist club members of buddying up with Johnno, if interested, or contacting Johnno from other NP locations. The use of Club call sign is still somewhat vague. I cannot source any material that confirms the club call sign can be used until Johnno can confirm 100%. There are some indications that in 2014 a club call sign could be used. In light of this club members would be encouraged to operate independently. I will distribute via the club membership list re use of club call-sign as soon as Johnno further investigates.

Best wishes and 73s'

WANSARC CLUB PROFILE

History

The Western and Northern Suburbs Amateur Radio Club (**WANSARC**) was first formed in 1969 and since then has served the needs and interests of amateur radio operators, short wave listeners and those interested in hobby radio and electronics. The club is not gender specific, having both female and male members. Members come from all walks of life with a mix of experience, young and mature, novice and technical. The most important aspect of the club is the willingness of all members to share their knowledge for the benefit of others. Members mainly reside in the west and north of Melbourne; however membership is encouraged from all interested. **WANSARC** is an affiliated club of **The Wireless Institute of Australia**.

Meetings

Meetings held at the **Ern Rose Memorial Pavilion, SEAVER GROVE, RESERVOIR** (Melway Map 18 D5) on the **1st Friday of each month** (excluding January) commencing at **7.30pm local time**. Talk in on **146.450MHz FM**—call club station **VK3AWS**.

Benefits

Free technology and related presentations, sponsored construction activities, discounted (and sometimes free) equipment, network of likeminded radio and electronics enthusiasts, excellent club facilities and environment plus an informative monthly newsletter for members to post articles, news, classifieds for all radio, test equipment, etc, featuring Amateur Radio news from WANSARC, ARV, WIA, ACMA, Melbourne Clubs, VK and Worldwide.

Club Nets

146.450MHz FM each Tuesday evening commencing 8.00pm local time. Net Control Station - VK3AWS

Postal: WANSARC PO Box 336 RESERVOIR 3073

A proud tradition of supporting hobby radio and electronics enthusiasts since 1969

All editors' comments and other opinions in submitted articles may not always represent the opinions of the committee or the members of **WANSARC**, but are published in the spirit in which they were submitted; in any case anything stated is to promote interest and active discussion on club activities and the promotion of Amateur Radio in general. Contributions to **WANSARC** are always welcome from any part of the world. Email attachments of Word™, Plain Text, Excel™, PDF™ and JPG are all acceptable. You can either post material to the Post Office Box address at the top of this page, or email your submission to the editor direct at magazine@wansarc.org.au. Email attachments not to exceed 5 Mb in file size. Attachments of (or thought to be) executable code or virulently affected emails will not be opened. Other persons or radio clubs may edit or copy out such as they like from the magazine but a reference to **WANSARC** is appreciated, except copyrighted (©) material or as otherwise indicated. Other articles that are credited to outside sources should be asked for their permission if they are used. While we strive to be accurate, no responsibility taken for errors, omissions, or other perceived deficiencies, in respect of information contained in technical or other articles. Any dates, times and locations given for upcoming events should always be checked with a reliable source closer to the event – coming up on the **WANSARC Tuesday evening NET on 146.450 MHz** starting at **8:00 pm Local** is recommended to discuss and confirm information and any dates. The club website has current information on planned events and scheduled meeting dates. WANSARC News written with Word™ 2007, published with Adobe Acrobat™ 10. You can get the WIA News sent to your inbox each week by simply clicking a link and entering your email address found at www.wia.org.au. The links for either text email or MP3 voice files are there as well as Podcasts and Twitter. This service is FREE.
